CHATEAU LAFITE ROTHSCHILD 1784

Pauillac, Premier Cru Classe

top shoulder level in old hand-blown bottle, with 20th century chateau foil and bin-soiled label

Provenance: Ex-Christie's - London, 11/23/00, Lot 67

This extremely rare bottle was originally in the cellar of the celebrated restaurant Le Coq Hardy outside of Paris, and was recorked by the cellar-master of Lafite in 1953 and again in 1983. The 1784 vintage was reported to be the greatest of the last two decades of the eighteenth century. After touring French wine country in 1787, Thomas Jefferson, then U.S. Commissioner to France, described the 1784 vintage to a wine merchant friend in Virginia: "It is the best vintage which has happened in nine years." Jefferson purchased many bottles of top Bordeaux, Burgundy, and white Rhone from the 1784 vintage for himself and his friends, including George Washington and John Adams. Jefferson's excitement over the 1784 Lafite is expressed in a letter to Monsieur de Pichard, the owner of Chateau Lafite: "I hasten to renew my thanks and I take the liberty of asking for a favor. The excellent wines called La Fite are produced by your people. If you have some of the 1784 vintage, and if you could accommodate me with 250 bottles, I would be infinitely grateful. If it is possible to have them bottled at your place, this would be a guarantee that the wine is natural and well drawn..." (Quoted from "Passions: The Wines and Travels of Thomas Jefferson" by James Gabler, Bacchus Press, 1995.)

The 1799 vintage, harvested when John Adams was U.S. President, is the oldest in the Library at Chateau Lafite. Michael Broadbent tasted an example from the Library at the Overton tasting in 1979, and reported it to be "fragrant, faded but fascinating." (MB, "Vintage Wine")

 1811, the famous "Comet Vintage," was celebrated for producing top quality wines throughout Europe. I was fortunate enough to taste an 1811 Lafite, Bordeaux-bottled by J.J. Van der Berghe, at Wilf Jaeger's on June 5, 2001. The color was a bright medium ruby, with a tawny rim. The wine provided a fascinating tasting experience. The aromas and flavors at first were medicinal—common in very old wine—with notes of lanolin, peppermint, and malt extract. Then the fruit started peeking through. After fifteen minutes, the medicinal element gave way to essences of chartreuse, and at thirty minutes, the fruit was even more prominent, and the wine rounder and much less medicinal. After that—my glass was empty. Elie de Rothschild gave a backhanded compliment to the 1811 Lafite in a letter describing early Bordeaux production methods to James Gabler, the author of "Passions: The Wines and Travels of Thomas Jefferson." "From my experience and tasting and hearsay, I think that on the contrary the vinification methods were much cruder and the wine much harder. They often left the wine on the grapes for two or three months and that is one of the reasons I have drunk 1811 Lafite that was not dead." —FH

THE 1864 AND 1865 BORDEAUX VINTAGES

1864 and 1865 are the first of the great vintages that are "twinned" in the minds of Bordeaux aficionados, the others being 1899 and 1900, 1928 and 1929, and more recently, 1989 and 1990. About the 1864 vintage, Michael Broadbent notes: "Vins complets. One of the greatest vintages of the 19th century. Despite the heat at vintage time (picking from 17 September), an abundant crop of superbly balanced wines." Of the 1865 vintage Broadbent writes: "Another great vintage, sturdier than the 1864, and, in my experience, the most dependable vintage of the period. Another very abundant crop harvested early, from 6 September. A boom time; the highest prices of the century, led by Ch Lafite and Ch Latour (the former selling exclusively to six negociants) while Ch Margaux, tied to a contract, lagged behind."

"I have been privileged to taste, to drink, this wine- reputedly the finest wine of the vintage and the greatest Lafite of the century- on seven occasions. Whether Queen Victoria, a regular sherry and claret drinker, was fully aware of its stellar quality, I do not know, but it was certainly in the royal cellars and being consumed in the mid-1980s. A perfect bottle from the Chateau, recorked, at the Overton tasting in 1979; again in 1987, and another, recorked by the maître de chai in 1986, at Flatt's Lafite tasting in 1988. All superb. Next, an almost too sweet bottle, labelled 'Lafite Bon (Baron) de Rothschild, R. Galos' at a Rodenstock tasting in 1995, and, very recently, perfection, complete, harmonious. Last tasted at Wilfred Jaeger's, June 2001 ★★★★."

Distinguished. Venerable."

This very rare bottle 1868 vintage is the first example of "Chateau Lafite-Rothschild" as Baron James de Rothschild completed the purchase of Chateau Lafite in August 1868. Lafite's website provides additional detail on this vintage: "On 8 August 1868, Baron James de Rothschild purchased Château Lafite, which had been placed under public sale through the inheritance of Ignace-Joseph Vanlerberghe. Baron James, who was head of the French branch of the Rothschild family, passed away just 3 months after purchasing Lafite. The estate then became the joint property of his three sons: Alphonse, Gustave and Edmond. The estate then boasted 74 hectares of vineyards. As a sign welcoming the new owner, Lafite vintage 1868 goes down as a record in many ways. It was the highest priced wine of its vintage year (6,250 of that period's francs, or 4,700 of today's euros the 'tonneau' of 900 liters). This early wine's high price would remain a record for the entire century, before being far surpassed at the end of the 20th century. Fortunately for Barons Alphonse, Gustave, and Edmond de Rothschild, the "golden age" of Médoc would go on for another fifteen years after the purchase of Lafite."

"One of the all time greats and at its best, a powerhouse, massively endowed with every conceivable component. In fact, such a powerful and tannic wine that it was virtually undrinkable for half a century... Most recently, rising to the occasion, a bottle recorked in 1980: still fairly deep with a fine mahogany-mature edge. Just after decanting it, it emitted a deliciously Mouton-like spicy scent. After 30 minutes in the glass it reminded me of Heitz Martha's Vineyard Cabernet: pure eucalyptus on the palate; dry, its fine flavour matching the bouquet, wonderful length, still buoyed up by its original tannins. level into neck of old hand-blown slope-shouldered bottle, modern chateau capsule and label

Provenance: Ex-Christie's - London, 10/7/99, Lot 929

This incredibly rare bottle was originally in the cellar of a French collector, and was recorked and labeled at the Chateau in 1993. Thomas Jefferson was a great lover of Yquem, and served it often at dinner parties. In late 1787 he wrote Monsieur d'Yquem requesting 250 bottles of the great 1784 vintage. His anxiousness to receive the wine is revealed in a letter to his agent John Bondfield, in which he states that the chateau owner "does not know either my name or character in public or private... I

must ask you also to add on the letter the address of Mr. Diquem with which I am unacquainted... Perhaps I should have addressed myself to Monsr. Salus his son-in-law, as I am not certain whether he is not either jointly or solely interested at present in the vineyards." Jefferson's request was granted by Count Lur Saluces, who assured that Jefferson's wine had been "drawn and bottled with the greatest care." (Quoted from "Passions: The Wines and Travels of Thomas Jefferson" by James Gabler, Bacchus Press, 1995.) Michael Broadbent tasted a bottle of 1784 Yquem in 1998 and noted: "The bottle had its original cork and was reassuringly deep for its age, a warm amber-mahogany with a pronounced yellow-green rim; the bouquet was remarkable, honeyed, rich, tangy which after 25 minutes opened up, very sweet, like black treacle. On the palate drying out a little though some sweetness remained. Extraordinary and surprisingly drinkable."

To rare wine collectors the 1847 Yquem is the holy grail, for its drinking experience the most famous and highly prized of all. The story behind this wine, first viewed as a mistake, is well told by James Gabler in "Passions: The Wines and Travels of Thomas Jefferson": "The story goes that in 1847 the Marquis de Lur-Saluces, the owner of the Chateau d'Yquem, returned from Russia to his estate where they were waiting his return in order to begin the harvest. His return was so late in the year that most of the grapes were overripe and completely contaminated with botrytis. Nevertheless, the order was given to harvest them and the wine made from these grapes was of such a high quality that its fame quickly spread. Count Alexandre de Lur-Saluces adds, 'This accident, according to my interpretation, gave birth to a harvest which was quite out of the ordinary. During the 1860's the Grand Duke Constantine, the Czar of Russia's brother, on a visit to Yquem tasted the extraordinary harvest of 1847 which, by the way, they did not dare commercialize for fear of astonishing the consumers. The Grand Duke found this wine so good that he offered an exorbitant price for a barrel of it. "This chance incident was without doubt the catalyst that changed the thinking of the period and led them to consider the grape rot as particularly desirable and to seek it rather than avoid it at the time of the grape harvest, thus obtaining a systematically sweet wine. Of course, the risk is infinitely greater and the yield much less but the effort leads one to a truly outstanding wine, unique of its type and that is the true expression of this Sauternais soil." I tasted the 1847 Yquem at Wilf Jaeger's tasting of pre-phylloxera wines on June 5, 2001. Notes: In decanter from afar, looks like a Burgundy! In the glass, a medium dark caramel color with a lime rim. All-enveloping aromas of sugar cane, with hints of pineapple, apple, and toffee. The first flavor impression is of intense caramel, accented by hints of lime, vanilla ice cream, sweet pineapple, and mandarine orange. An incredibly long, caramelly, powerful, and expansive finish, a perfect balance of sweetness and acidity, with limey acidity finally cleansing the palate of caramel. Outstanding plus plus, the best Yquem ever tasted.—FH

Michael Broadbent on the 1921 White Bordeaux vintage:

"Unquestionably the greatest vintage of the 20th century, Yquem in particular being legendary. Following the hottest summer since 1893, grapes were harvested with a tremendous high sugar content which, after fermentation, resulted in high levels of alcohol and residual sugar... ★★★★."

"A Colossus. Perhaps the most staggeringly rich Yquem of all time, certainly since the towering 1847... in my last five notes varying from fairly deep, at best a warm amber-gold, on one occasion reminding me of an old oloroso sherry, on another Bual Madeira-like, with a pronounced apple-green rim. The bouquet, very rich, honeyed of course, peachy, barley sugar (boiled and spun sugar), intense yet fragrant, 'custard cream', crème brûlée yet again, but very true. On the palate from sweet to very sweet, depending I think on context, unquestionably rich, powerful, even assertive, great length and intensity, and supported by life-preserving acidity. One of life's sublime experiences. Last tasted a bottle brought by Paolo Pong to a dinner at Jancis Robinson's, Dec 2000

To summarise, slight colour variation though mostly a deep, rich amber, some a rose-tinted tawny; peaches and cream ride uppermost, also apricote (sorry to drag this out again, but it is so apposite), peeled sultanas, sometimes slightly chocalatey, always richly penetrating. "Around a dozen notes, mainly in the 1980s. If well cellared, then certain still to be superb. Although a naturally deepish coloured wine, generally less dark than the Yquem '21 and '29... sweet, concentrated, ambrosial, untiringly persistent. A magnum (in 1988) I described as having 'an explosive bouquet and almost exaggerated flavour'. Most recently, a superb bottle despite a rather varnished, singed, raisiny fragrance; very sweet, tremendously rich, fleshy, almost fat... Last tasted Sept 1998... ★★★★." MB

Michael Broadbent on the 1945 Bordeaux vintage:
 "Arguably one of the greatest vintages of the 20th century, and in my opinion eclipsing the 1961. An early harvest yielded magnificent, long-lasting wines of the highest quality. The very small crop size was the result of severe frosts in May, when the vines were literally nipped in the bud. The wines' exceptional ripeness, concentration and power were due to a summer of drought and excessive heat. The vines and the winemaking also benefited – though it may not have been appreciated at the time – from some fortuitous circumstances: first, old, or at least fully mature, vine stock as there had been little replanting during the war; second, traditional winemaking methods. New oak barrels were a thing of the future as was the influence of the consultant oenologist. The best, and best kept, are still superb... ★★★★."

"Tasted 5 times with consistent notes... The 1945 Haut-Brion is profound. It demonstrates the essence of Haut-Brion's style. The color remains a healthy, opaque garnet with only slight amber at the edge. A huge, penetrating bouquet of sweet black fruits, smoked nuts, tobacco, and tar soars from the glass. The wine possesses extraordinary density and extraction of fruit, massive, full-bodied, unctuously-textured flavors that reveal little tannin, and copious quantities of glycerin and alcohol. It is a fabulously rich, monumental example of a fully mature Haut-Brion that exhibits no signs of decline. Awesome!... 100." WA 10/94.

Michael Broadbent on the 1947 Bordeaux vintage:
 "The second of the three great post-war vintages. An
 increasingly hot summer followed by harvesting in
 almost tropical conditions. The grapes had an exception-

"The 1947 Petrus is the most decadent "wine of the century." While not as port-like as the 1947 Cheval Blanc, it is a massive, unctuously-textured, viscous wine with amazing power, richness, and sweet fruit. The nose explodes from the glass, offering jammy fruit, smoke, and buttery caramel scents. The wine's viscosity is reminiscent of 10-W-40 motor oil. It is so sweet, thick, and rich one suspects a spoon could stand upright. The wine is loaded with dream-like quantities of fruit, as well as high alcohol, but there is no noticeable tannin. While drinkable now, given its amazing fruit extract, and high levels of glycerin and alcohol, it is capable of lasting two more decades... 100." WA, 11/97.

Michael Broadbent on the 1959 Bordeaux vintage:*"A great vintage. Hugely popular with the British wine trade, proclaimed by the pundits as 'the vintage of the century' and tres grands vin by the Bordelais, the optimists were not far out despite some talk of lack of acidity. Apropos, the eminent Professor Peynaud states that if a wine has an abundance of all the major component parts, alcohol, extract, fruit and tannin, an equally high level of acidity is not only not essential, it is not necessary. The 1959 vintage was blessed with a very favourable growing season, in particular a fine, warm summer, with rain mid-September to swell the grapes; the harvest followed a week or so later... ★★★★."***CHATEAU HAUT BRION 1959***Graves, Premier Cru Classe**one 3.5cm, one 4.5cm, one 5cm***Provenance:** Ex-Zachys/Christies - New York, 2/8/97, Lot 25*"Most recently, by a short head the best wine at La Reserve's Haut-Brion/La Mission tasting: a wonderful gradation of colour; showing age but sweet and mellow, with a lovely edge-of-honeycomb scent after an hour in the glass. Every time I have this wine it is undeniable that Mouton made a richer, more persuasive wine in 1959 than in 1961.  "The 1961 Haut-Brion was pure perfection, with gloriously intense aromas of tobacco, cedar, minerals, and sweet red and black fruits complemented by smoky wood. This has always been a prodigious effort (it was the debut vintage for Jean Delmas)...100." WA 2/96.

 one bottom neck, one very top shoulder, one top shoulder, two upper shoulder
Provenance: Ex-Zachys/Christies - New York, 3/22/97, Lot 797 from "Magnificent Wine From the Collection of Tawfiq N. Khoury"
 "Another splendid '61...Most recently...the bouquet leapt out of the glass, sweet, brambly fruit, singed, fragrant; amazingly sweet, showing a little age but beautiful. It demonstrates that superb wines were made at Margaux long before the Mentzelopoulos purchase in 1977...★★★★." MB 6/01.

CHATEAU PETRUS 1961

Pomerol
 just below top shoulder, excellent appearance
Provenance: Ex-Sotheby's - New York, 9/26/97, Lot 1931
 "An estate only needs to produce a handful of wines such as the 1961 Petrus to garner an international following. Not surprisingly, the 1961 Petrus was pure perfection. This fully mature wine possesses a port-like richness (reminiscent of the 1947 Petrus and 1947 Cheval Blanc). The color revealed considerable amber and garnet, but the wine is crammed with viscous, thick, over-ripe black-cherry, mocha-tinged fruit flavors. Extremely full-bodied, with huge amounts of glycerin and alcohol, this unctuously-textured, thick wine makes for an awesome mouthful. Imagine a Reese's Peanut Butter Cup laced with layers of coffee and cherry, and encased in a shell of Valrhona chocolate!...100." WA 2/96.

CHATEAU LATOUR 1962*Pauillac, Premier Cru Classe**bottom neck**Provenance: Ex-Sotheby's - London, 12/9/97, Lot 663*

"A dense opaque garnet color reveals amber at the edge, as well as an incredible perfume of cedar wood, balsam, coffee, black fruits, leather, and cigar smoke. The wine is supple and full-bodied, with sweet tannin, glorious levels of fruit and extract, abundant glycerin, and a seductive, truffle-flavored finish. While it has been drinkable for two decades, it is capable of lasting another 20 years. It is a perfectly balanced, exciting Latour that remains undervalued as well as underrated... 95." WA 6/00.

A sweet nose of jammy black fruits, cedar, and smoke is followed by a velvety-textured, medium to full-bodied wine with no hard edges. It is a compellingly rich, opulent Mouton that appears to have gained character and complexity with age..." WA 10/97.

"... a wonderfully rich, thick, powerful, and concentrated wine that is the most authoritative Cheval Blanc produced since the monumental wines made by this chateau in 1947, 1948, and 1949. Opaque dark ruby, with only some amber, and a powerful, yet restrained bouquet of roasted ripe fruit, cedar, herbs, and gravelly, mineral scents, the wine remains amazingly young and tannic, with layer upon layer of ripe fruit... 95." The opaque garnet color is followed by a huge, emerging nose of black fruits, truffles, walnuts, and subtle tobacco/Graves-like scents...This will be the longest-lived and potentially most classic wine of the vintage. Cream always comes to the top...98." WA 6/96.

Provenance: Ex-Sotheby's - New York, 11/20/99, Lot 2526

Parcel: lots 1413-1414

These bottles of 1941 Inglenook Cabernet Sauvignon—the “holy grail” for collectors of classic California wines—come from a lot of nine bottles offered in Zachys-Christie’s “California Only” sale in Los Angeles in 1999. Three of these were subsequently offered by Sothebys in November of that same year. They first came to market in a Heublein auction in Chicago in 1979 as a full original case consigned directly from the property. The buyer had the bottles reconditioned at Inglenook in the 1980’s, at which time two were consumed to great acclaim by press and tasters who were present. Thereafter to 1999 the bottles lay in a natural cool underground cellar in the Pacific Northwest. The 1941 vintage was arguably the finest vintage in Napa in the first half of the 20th Century, and the 1941 Inglenook is the only wine ever awarded 100 points by Wine Spectator critic James Laube.

PENFOLDS GRANGE

Penfolds' first vineyard was established in 1844 at Magill, South Australia, by Dr. Christopher Rawson Penfold. For over 100 years, the company, similar to most Australian wineries, produced mostly fortified wines and brandies. In 1950, Max Schubert, chief winemaker, visited Europe, particularly the Bordeaux region. On his return to Australia, he introduced Bordeaux winemaking techniques he had seen in Europe. Schubert's aim was to produce a wine of high quality with a potential for aging, equal to the finest Bordeaux wines.

Schubert's Penfolds Grange (known as Penfolds Grange Hermitage through the 1989 vintage) fulfilled his goal and the wine is widely acknowledged to be Australia's greatest wine, the most decorated in Australian history and the first new world wine to gain international acclaim. Grange won its first Gold Medal in 1955. Since 1962, it has won 126 gold, 76 silver and 42 bronze medals, plus 28 trophies and seven championship awards.

Limited by Australia's lack of Bordeaux grapes and no oak, Schubert decided to base his wine on Shiraz, grown in abundance all over South Australia. The early vintages were all made from Shiraz grapes grown at Magill and Morphett Vale, Adelaide. The wine was aged in new American oak for one year, giving it intense fruit character and great potential for aging. Schubert needed American oak, rather than French, in order to stand up to the rich, pungent fruit. He also wanted greater control over the fermentation process than was typical in Australia. In fact, Grange Hermitage was the first, scientific attempt to make modern, top-quality red wine outside the classic areas of Europe.

The first vintage of Grange was 1951, named after Dr. Penfold's cottage and vineyard in Magill. The 1952 vintage was Schubert's first commercial vintage. The first vintages were rejected for tasting like dry port so that Schubert was ordered by the Penfolds Company to stop production in 1956. However, he continued making wine in secret for the vintages of 1957, 1958 and 1959, using no oak. Then, in 1960, one of the Company's board members tasted the original Granges. At eight or nine years old, with a little maturity, the 1951, 1952 and 1953 were finally opening up, fruit emerging with the tannins softening, enhanced by the sweetness of the oak. The wines were now showing great promise, the quality was finally recognized and Schubert resumed commercial production. At that point, Max Schubert and Grange ushered in the modern age of Australian wine.

Fruit from other areas was introduced in 1961 and later small amounts of Cabernet Sauvignon were added in some vintages (ranging from 8 –15%) and the wood aging period was extended to 18-20 months. The wine is fermented in stainless steel tanks with wooden header boards, completed in oak, and released when five years old. In the early years, Grange had different bin numbers, but it has been Bin 95 since the 1961 vintage.

The wines are beautifully aromatic, deep in color, youthful, redolent of blackberries, plums, leather, cedar, cassis and smoke. The fruit is fresh, ripe, rich and sweet, with oak influence, a firm backbone, great texture, complex flavor and rounded tannins. A lovely, silky texture is a hallmark of the Grange style.

Grange is rare, top quality and long-lived, affording a 30-50 year lifecycle with the best vintages. The older wines don't seem to fade. Penfolds has been produced every year since 1951, with good bottles from the 1950's and 1960's still affording exceptional drinking. The wine needs at least 12-15 years aging.

Some vintages now are really rare. 1951, the first experimental vintage, is worth many thousands. The best vintages are 1952, 1953, 1955, 1963, 1966, 1967, 1971, 1976, 1978, 1980, 1983, 1985, 1986, 1990, and 1991.

At a comprehensive tasting of Penfolds Grange wines held recently in Australia, a panel of five international critics and wine professionals, including James Halliday and Andrea Immer, tasted 30 wines spanning 42 vintages, from 1953 to 1995. Adrian Read and Andrew Caillard, MW, recorded the panel's findings in the book, *The Rewards of Patience*, published in May 2000.

The group found the 1953 to still be drinking beautifully, with amazing red color, sweet chocolate/berry fruit, a soft, silky texture, and a sound structure. The lively, powerful, still youthful 1955 showed great layered, extracted fruit, complex character and a silky texture. The exceptionally proportioned 1963 is a classic Grange, with rich, full fruit, a silky seductiveness, grand complexity, finishing long, at a peak but should hold for a few more years.

The 1966 is an opulent, graceful wine with good fruit, soft tannins and excellent length. The 1970 is muscular, with grip and chewiness. The fabulous 1971 is big, powerful, complex and youthful, with a sweet, silky palate, sweet tannins and a really long finish. The 1972 is vibrant, beautifully aromatic, concentrated and textured, with a palate of fruit, spice, chocolate and cedar. The 1973 offers complex chocolate and berry aromas and flavors, with great concentration, needing more time to resolve the tannins. The 1975 is rich, fruity, muscular and intense, again needing time to soften the tannins. The 1976 shows rich fruit and power, with great complexity, balance and velvet tannins, auguring well for its longevity. The 1978 is packed with complex, sweet, concentrated and beautifully textured fruit, nowhere near its peak. The 1980 is big, rich, ripe and fruity, with substantial tannins, dense, sweet fruit, and should be a classic Grange. The wonderful 1983 reveals rich, brambly, concentrated fruit and plush tannins, with underlying sweet oak. The 1985 is voluptuous, with opulent fruit, a tightly structured palate and firm tannins. The 1986 has a long way to go, but is already intense, and beautifully balanced, with great concentration, fine tannins and a long finish.

Clearly, Penfolds Grange is Australia's finest wine, with an unrivalled track record for excellence spanning the last fifty vintages.

"Atypical of an 11-year-old wine, this is youthful but graceful. It began lean and elegant, but has developed sweet, deep and heady berry, plum, vanilla and spice flavors that swirl through. Delicious now, but should keep developing until 2010 or 2015, possibly beyond... 94" WS, 1/97.

"The 1986 is my candidate for the finest Grange Hermitage yet produced. The wine has been phenomenal since its release in 1991. It exhibits an opaque black/purple color, followed by an extraordinary, compelling, sweet bouquet of black-raspberries, cassis, minerals, smoky oak, and vanilla. This multi-dimensional wine's huge extraction of fruit, profound flavor concentration, astonishing balance, and layers of fruit make it the greatest of the modern day Granges. Although still youthful, the wine's sweetness, ripeness of tannin, and extraordinary balance make it delicious today. It is capable of lasting another 20-25 years. This may turn out to be superior to the 1971 and 1976 - imagine that!...99" WA

"This dark purple-colored wine exhibits notes of sweet plum, blackberry, and cassis intermixed with some licorice, chocolate, and espresso. It is a blend of 94% Shiraz and 6% Cabernet Sauvignon that tips the scales at 14%+ alcohol. The wine is layered, unctuously textured, full-bodied with tremendous intensity, moderately high tannin, and a 40-second finish. The wine needs a good 4-5 years of cellaring. Anticipated maturity: 2006-2025. This Grange should ultimately merit a higher score when it is closer to its plateau of drinkability... 93." WA, 2/02

A COLLECTION OF TOP NOTCH BORDEAUX, BURGUNDY, RHÔNE AND ITALIAN WINES

The following lots represent a piece of one of America's greatest wine collections. All wines were purchased upon release after trips to Europe where the consignor tasted nearly every bottle offered. BORDEAUX

CHATEAU PETRUS 1975
Pomerol
bottom neck or better, signs of old seepage
“The 1975 Petrus reveals a youthful, rustic, brutally powerful style, with an opaque garnet/ruby/purple color, and an emerging nose of over-ripe black-cherries, mocha/chocolate, and truffles. Extremely full-bodied, ferociously tannic, but awesomely concentrated...98.” WA 2/96.

CHATEAU LAFITE ROTHSCHILD 1976
Pauillac, Premier Cru Classe
top shoulder or better
"The 1976 Lafite clearly stands far above the crowd in this vintage. A beautiful bouquet of seductive cedarwood, spices, and ripe fruit precedes a very concentrated, darkly colored wine, with great length and texture. Some amber is just beginning to appear at the edge. The 1976 has turned out to be the best Lafite of the '70s. It is gorgeous to drink at present." WA 9/96.
1541 10 bottles per lot \$1300-1800

CHATEAU LAFITE ROTHSCHILD 1982
Pauillac, Premier Cru Classe
four very top shoulder, one top shoulder, one upper shoulder, owc
"Powerful for a Lafite, this wine unfolds to reveal extraordinary richness, purity, and overall symmetry in addition to stunning flavor depth and persistence. The finish lasts for nearly a minute. The modern day equivalent of Lafite-Rothschild's immortal 1959...100." WA 6/00.
1542 6 magnums (1.5L) per lot \$4800-7000

CHATEAU LATOUR 1982
Pauillac, Premier Cru Classe
eight bottom neck or better, four top shoulder, owc
"Sweet, smoky, roasted aromas in the nose com-
bine with jammy levels of black currant, cherry,
and prune-like fruit. It possesses extraordinary
concentration and unctuousness, with a thick, fat
texture oozing notes of cedar wood, tobacco, cof-
fee, and over-ripe fruit...100." WA 6/00.

CHATEAU MARGAUX 1983
Margaux, Premier Cru Classe
bottom neck or better, two signs of old seepage, owc
"The 1983 Margaux is a breathtaking wine. The Cabernet Sauvignon grapes achieved perfect maturity in 1983, and the result is an astonishingly rich, concentrated, atypically powerful and tannic Margaux...96." WA 10/94.

<p>“...The Vosne-Romanee-Les Beaumonts is a more subtle, more classic example of a top premier cru Vosne-Romanee. It does not soar from the glass with the exotic, smoky, roasted character of the Les Brulees, but it does offer authoritative and persistent aromas of black fruits, herbs, underbrush, and sweet oak. While it displays exceptional concentration of flavor in the mouth, it is supported by higher levels of tannin and is a more structured, denser, richer wine than the Les Brulees...98.” WA 10/92.</p>

	CHATEAUNEUF DU PAPE CHATEAU RAYAS RESERVE J REYNAUD 1990 <i>Rhone</i> 2cm or better “...it would be a shame to go through life without tasting this wine...Dark ruby/purple-colored, with an over-ripe nose of black cherry jam, kirsch liqueur, raspberries and minerals...The massive alcohol is well-concealed by the wine’s spectacular extract and density. Low in acidity... it is ideal for consuming now and over the next 10-15+ years. The quintessential Rayas, it is one of the most hedonistic and compelling wines ever made....100.” WA 6/00. ARAUJO ESTATE

"Daphne and Bart Araujo have fulfilled all the expectations of Eisele Vineyard Cabernet fans. They have taken one of the greatest Cabernet vineyards of Napa Valley and, with the help of consultant Tony Soter, have fashioned a consistently great wine. There are 36 acres in production, with the Araujos estate bottling 3,000 cases (40% of the production is sold each year...Beginning with 1994, the Araujos decided to reduce the percentage of new oak to 75%. Some Cabernet Franc (usually 4%-6%) and Petit Verdot (usually 3%-4%) are blended with the Cabernet Sauvignon." WA 12/95.

"Proprietor Bill Harlan, his winemaker, Bob Levy, and consultant, Frenchman Michel Rolland continue to produce what may be the single most profound wine in California. This wine possesses all the elements of greatness - individuality, power combined with elegance, extraordinary complexity, remarkable aging potential, and compelling richness without ponderousness. The vintages produced to date give signs of improving in the bottle for 20-30+ years." WA 12/98.

"The opaque purple-colored 1996 Harlan Estate reveals extraordinary intensity, a spicy, black currant, tobacco, cedar, and fruit cake-scented bouquet, full body, a texture oozing with glycerin and concentrated fruit, and moderate tannin in the blockbuster finish. It is one of the most concentrated and complete red wines one could hope to taste... 98." WA 1/00.

HARLAN ESTATE 1997

Napa Valley

owc

"The 1997 Harlan Estate is one of the greatest Cabernet Sauvignon-based wines I have ever tasted. A blend of 80% Cabernet Sauvignon, with the rest Merlot and Cabernet Franc, this enormously-endowed, profoundly rich wine must be tasted to be believed. The finish exceeds one minute...100." WA 12/00.

SCREAMING EAGLE

"As I have tried so hard to articulate in past reviews, what makes these wines so stunning is the black currant/cassis fruit. Screaming Eagle may be the most extravagantly pure and rich expression of cassis one can find ... short of drinking cassis liqueur. There is an unbelievable purity to these wines, as well as phenomenal concentration and richness, yet in no sense are they heavy, ponderous, or out of balance." WA 12/98

SCREAMING EAGLE CABERNET SAUVIGNON 1996*Napa Valley**owc*

"...lots of structure, an opaque purple color, and the hallmark blackberry and cassis liqueur-like notes. Silky-textured, fabulously-concentrated, and gorgeously-balanced, it has every component part - acidity, alcohol, tannin, and extract - flawlessly presented...98." WA 1/00.

"... has turned out even better than I thought last year. It boasts a saturated ruby/purple color in addition to an expressive bouquet of cassis, minerals, and smoke. Buying & Bidding Information

CONDITIONS OF SALE &

LIMITED WARRANTY

Prior to bidding, all participants must read the Conditions of Sale & Limited Warranty contained in this catalog that state the terms governing the purchase of wine sold at auction. By participating in an auction, an auction participant agrees to be bound by the Conditions of Sale and Limited Warranty, printed in this catalog.

ESTIMATES

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and reflect prices recently paid at auction for comparable wines. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices. Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys Wine Auctions wine specialist for further information and bidding assistance.

BUYERS PREMIUM

A **17.5% Buyer's Premium** will be added to the successful bid price of each lot you purchase and is payable by you, together with the applicable sales tax which is applied to the total cost of your purchase, as stated in the Conditions of Sale located in this catalog.

RESERVES

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys Wine Auctions and the consignor. This confidential amount is the value below which a lot will not be sold. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (▲) next to the lot number.

EXAMINATION OF WINES

Prospective Buyers are invited by appointment to examine any lots prior to the auction at our temperature-controlled warehouse. Please contact our office at 310.446.6622 to set up an appointment.

BIDDER REGISTRATION

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid any delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at 914.874.8039. All bidders who wish to attend the auction are asked to pre-register for a paddle at least two business days in advance of the auction.

If you plan to attend the auction, a Pre-Registration form is provided in this catalog or online at www.zachys.com. Please complete the requested information and fax the form to Dick Trauner at 914.472.6390 at least two days prior to the auction. Bidders should arrive at least 30 minutes before the sale to retrieve an auction paddle.

BIDDING

Wine lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from those present in the saleroom or absentee bidders participating by telephone or by written bid left with Zachys Wine Auctions at least 24 hours prior to the first day of the auction. The auctioneer may also execute bids on behalf of the consignor's reserve, however, under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the consignor.

PARCEL LOTS

A parcel is a sequence of lots carrying the same estimates and consisting of the same type of, quantity and bottle size. In this sale the buyer of the first lot of a parcel of wine will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

ABSENTEE BIDS

If you are unable to attend the auction in person and wish to place bids, you may give Zachys Wine Auctions instructions in writing to bid on your behalf. Our representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential.

PLEASE NOTE: Zachys Wine Auctions offers this service as a convenience to clients, and although we will make every effort, Zachys Wine Auctions will not be held responsible for error or failure to execute bids.

PLACING ABSENTEE BIDS

To place an absentee bid, please use the absentee bid form provided in this catalog or online at www.zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, we will round your bid down to the lower increment. Please place your bids as soon as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence.

PLACING TELEPHONE BIDS

Prospective Buyers may bid by telephone during the sale provided that bids are accepted only at Zachys Wine Auctions discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys Wine Auctions must confirm arrangements for this service as soon as possible and at least 48 hours prior to the start of the first session of the auction. At Zachys Wine Auctions discretion, telephone bids may be limited to lots with a value above \$2,000. At Zachys Wine Auctions discretion, telephone bids may be recorded. By bidding on the telephone, prospective purchasers agree to be bound by the Conditions of Sale & Limited Warranty.

SALES TAX

Purchases picked up or delivered within the state of New York or California are subject to sales or compensating use tax. Buyers are required to pay any state and local sales and use tax which may be due, as well as any applicable use tax of another state which Zachys Wine Auctions may be required by law to collect. New York or California sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property picked up or delivered in New York State or California, regardless of the state or country in which the Buyer resides or transacts business, unless Buyer has a valid exemption there from. All such taxes shall be paid by Buyer at the time of payment of the purchase price. Buyers claiming exemption from sales or use tax must provide Zachys Wine Auctions with documentation, which, in Zachys Wine Auctions opinion, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages, or who hold California ABC licenses,

must submit Resale Certificates and copies of their valid California ABC License to Zachys Wine Auctions prior to the release of property. All questions regarding sales tax and exemptions should be directed to Dick Trauner at 914.874-8039.

If Zachys Wine Auctions is selling lots as agent for an organization, which holds a State of California Exempt Organization Certificate, the lot will be marked with the symbol (*). Accordingly, no sales tax is due on the purchase price of any of the foregoing lots if the wine is picked up or delivered in the State of California. It is the Buyer's responsibility to ascertain and pay all taxes due.

OWNED OR GUARANTEED PROPERTY

Zachys Wine Auctions offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys Wine Auctions. These lots are identified with the symbol (■) next to the lot number. On rare occasions Zachys Wine Auctions may guarantee a minimum price to the consignor of property. Such lots are identified in the catalog by the symbol (◆) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

SUCCESSFUL BID

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility of the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus **17.5% Buyer's Premium** plus any applicable taxes for each lot purchased.

PAYMENT

Buyers are expected to pay for purchases within 14 calendar days of the auction. Payments received after this deadline will be subject to a 1.5% per month late charge. Payment can be made by credit card, check, cash, money order or bank wire transfer. To avoid delays in the release of your purchases, potential Buyers are requested to supply bank references prior to the auction. Buyers wishing to make payment by credit card must present the card in person at or prior to the auction. All charges are subject to acceptance by Zachys Wine Auctions and the applicable credit card company. Zachys Wine Auctions will accept Visa MasterCard and American Express. In the event a charge is not approved, Buyers nevertheless remain liable for all amounts owed. Credit card purchases may not exceed \$20,000.

COLLECTION OF PURCHASES

Buyers are expected to remove their property within 14 calendar days of the auction. Please refer to the page on Collection & Delivery of Wine in the catalog for specific collection information in this catalog.

SHIPPING & COLLECTION

For your convenience, Zachys Wine Auctions Collection & Delivery Form is located in this catalog. It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. After payment has been received, we can assist in the arrangement of packing, transit insurance and shipping at the Buyers expense and request.

EXPORT/IMPORT PERMITS

Wine sold at auction may be subject to laws governing export from the US and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting wine. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the import of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

DELIVERY RESTRICTIONS

Bidders are also reminded that various states impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another state, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys Wine Auctions shall not as a condition of sale assume any obligation nor bear any responsibility whatsoever for applying for or obtaining any permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all bidders are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the state so as to comply with all local requirements.

Additional Catalog Notes for Bidders

Level/Ullage Descriptions & Interpretations

- BN **BOTTOM NECK:** perfectly good for any age of wine.
Outstandingly good for a wine of 10 years in bottle, or longer.
- TS **TOP SHOULDER:** normal for any claret 15 years old or older.
- US **UPPER-SHOULDER:** slight natural reduction through easing of cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1940 wines.
- MS **MID-SHOULDER:** probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.
- LS **LOW-SHOULDER:** risky and usually only accepted for sale if wine or label is exceptionally rare or interesting. Always offered without reserve and with low estimate.

Because of the slope of shoulder it is impractical to describe levels of Burgundy-shaped bottles as mid-shoulder, etc. Wherever appropriate the level between cork and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy is less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7 cm. ullage in a 50-year-old Burgundy can be considered normal, indeed good for age, 3.5 to 4 cm. excellent for age, even 7 cm. rarely a risk.

SPECIAL NOTICES

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment.

We therefore repeat that there is always a risk of cork failure with old wines and Zachys Wine Auctions assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery except under the terms of warranty stated in Paragraph 10 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are chateau bottled.

Important note regarding opening of cases and listing levels. It is Zachys Wine Auctions general policy to open all wood cases prior to the 1985 vintage and to describe levels. Bidders must make allowances for reasonable variations in ullage, which may be encountered, in unopened cases from the 1985 vintage and later. Unless otherwise noted, ullage levels will be appropriate to age.

Lots which include original wooden case are marked owc. Lots which include original case are marked oc.

Conditions of Sale & Limited Warranty

These Conditions of Sale & Limited Warranty, together with any Glossary which may appear in these catalog pages, are Zachys Wine Auctions and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale & Limited Warranty and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys Wine Auctions as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

CONDITIONS OF SALE

1

The authenticity of property listed in the catalog is guaranteed only as stated herein and otherwise all property is sold "AS IS" without any representations or warranties by Zachys Wine Auctions or the Consignor as to merchantability, fitness for a particular purpose, correctness of catalog, description, size, quality, condition, rarity, importance, provenance, exhibition history, literature, previous storage conditions or historical relevance of any property. No statement set forth in this catalog, made at the auction or in the bill of sale, posting, announcement or otherwise, whether oral or written, shall be deemed such a warranty, representation or assumption of liability. Zachys Wine Auctions and the Consignor make no representations and warranties, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. Neither Zachys Wine Auctions nor the Consignor is responsible for errors or omissions in the catalog, glossary or any supplemental material. Prospective bidders are invited to inspect the property before bidding.

2

The purchase price payable by the Buyer will be the sum of the final bid price plus the Buyer's Premium, together with any applicable sales or compensating use tax. The Buyer's Premium is 17.5% of the final bid price.

3

Zachys Wine Auctions reserves the right to withdraw any property before or at the sale and shall have no liability whatsoever for such withdrawal.

4

Zachys Wine Auctions reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys Wine Auctions' sale record is conclusive.

5

Although at Zachys Wine Auctions' discretion, Zachys Wine Auctions may execute absentee bids (written bids left with Zachys Wine Auctions prior to the sale) or may accept telephone bids as a convenience to clients who are not present at auction, Zachys Wine Auctions is not responsible for failing to execute such bids or for any errors or omissions in connection therewith.

6

Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept and below which the lot will not be sold. This amount is confidential and will not exceed the low pre-sale estimate. Lots not subject to a reserve are identified with the symbol (▲) next to the lot number. Zachys Wine Auctions shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7

Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale. The Buyer thereupon assumes full risk and responsibility for the lot and shall immediately pay the full purchase price or such part, as Zachys Wine Auctions, in our sole discretion, requires.

8

No lot may be removed from Zachys Wine Auctions premises until the Buyer has paid the purchase price in full plus all other fees and taxes and has satisfied such terms, as Zachys Wine Auctions, in our sole discretion, shall require. Upon receipt of payment, Zachys Wine Auctions will issue a Release Order, which must be presented in order for Zachys Wine Auctions to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30pm of the fourteenth calendar day following the sale, and removed from Zachys Wine Auctions' premises at the Buyer's expense no later than 30 days after the date of sale. If payment is not made within 14 days of purchase, Zachys Wine Auctions reserves the right to a late charge of up to 1½% per month of the total purchase price, in addition to any other rights and remedies available by law to Zachys Wine Auctions. If not so removed, Zachys Wine Auctions may transfer such property to a public warehouse for the account, and at the risk and expense, of the Buyer. If a lot has not been collected within 30 days of the date of sale and Zachys Wine Auctions does not transfer the uncollected property to a public warehouse, the Buyer will be liable to Zachys Wine Auctions for storage and handling charges of \$1.75 per day for each lot.

9

Zachys Wine Auctions is not responsible for acts or omissions by itself or others in packing or shipping whether or not the carrier or packer is recommended by us. Packing and handling of purchased lots are at the entire risk of the Buyer. If Zachys Wine Auctions arranges and bills for such services via invoice or credit card, Zachys Wine Auctions will include an administration charge.

10

If the Buyer fails to comply with any of these Conditions of Sale, the Buyer will be in default and Zachys Wine Auctions may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the purchase price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without reserve at public auction or privately on seven days' notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without reserve at public or privately on seven days' notice to such Buyer and (v) take such other action as Zachys Wine Auctions deem necessary or appropriate. If Zachys Wine Auctions resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the purchase price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the purchase price for any or all lots purchased, Zachys Wine Auctions shall apply the payment received to such lot or lots that Zachys Wine Auctions, in our sole discretion, deem appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted us a security interest in, and Zachys Wine Auctions may retain as collateral security for such Buyer's obligation to us, any property in our possession owned by such Buyer. Zachys Wine Auctions shall have the benefit of all rights of a secured party under the Uniform Commercial Code adopted in the state where the auction is held.

Payment will not be deemed to have been made in full until we have collected good funds. In the event the Buyer fails to pay any or all of the total purchase price for any lot and Zachys Wine Auctions nonetheless elects to pay the Consignor any portion of the sale proceeds, the Buyer acknowledges that Zachys Wine Auctions shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if within 3 days of receipt of the wine, Zachys Wine Auctions has received from the original Buyer of any property notice of a claim in writing that any lot is short or has suffered breakage, then Zachys Wine Auctions in their sole discretion will decide any such claim as between the Consignor and the Buyer and may rescind the sale and refund the purchase price received.

The benefits of this provision are not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or other who have or may acquire an interest therein.

The Buyer's sole and exclusive remedy against Zachys Wine Auctions and the Consignor under this provision shall be the rescission of the sale and the refund of the original purchase price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to the Buyer as a matter of law or at equity, and neither Zachys Wine Auctions, nor the Consignor shall be liable, in whole or in part, for any special, incidental or consequential damages, including, without limitation, loss of profits.

11

The respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of California. By participating in an auction, whether present in person or by agent, by absentee bid, telephone or other means, the Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State of California. The Buyer expressly agrees that (i) neither Zachys Wine Auctions nor the Consignor shall be liable, in whole or in part, for any special, indirect or consequential damages, including, without limitation, loss of profits, and (ii) the Buyer's damages are limited exclusively to the original purchase price paid for the lot.

12

All offers and sales of wine by Zachys Wine Auctions are subject to the local laws governing the sale of alcoholic beverages in the state that the auction takes place.

13

California law requires that Buyers of alcoholic beverages must be at least 21 years of age.

14

Zachys Wine Auctions does not ship wines. As an accommodation to Buyers, Zachys Wine Auctions may arrange to have property packed, insured and shipped at Buyers expense, but Zachys Wine Auctions shall have no liability or obligation for shipping wines. Most states regulate the shipment of wines into their state. Some states require a Buyer, Consignor or shipper to possess certain licenses or permits, while other states have a strict prohibition on such shipments. In addition, various states impose limitations on the quantity of alcoholic beverages, which may be purchased and brought into its jurisdiction from another state. Zachys Wine Auctions makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any state. Zachys Wine Auctions urges all Buyers to investigate and understand the wine shipping laws and regulations of the state to which they intend the wine to be shipped prior to the purchase of wines at auction.

Bidders are also reminded that various states impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another state, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys Wine Auctions makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any state. Most states regulate the shipment of wines into their state. Some states require a purchaser, consignor or shipper to possess certain licenses or permits, while other states have a strict prohibition on such shipments. Zachys Wine Auctions urges all Buyers to investigate and understand the wine shipping laws and regulations of the state to which they intend the wine to be shipped prior to the purchase of wines at auction.
